WEEKLY REPUBLICAN—1867.  
DAILY PUBLIC LEDGER—1891.

MAYSVILLE, KY., THURSDAY, OCTOBER 12, 1905.

ONE COPY—ONE CENT.

## Personal

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Baldwin Pianos at Gerbrich's.

Mr. Bruce Easton, who was reported badly hurt in a wreck by a Cincinnati paper, is at his home in this city.

The first real genuine frost of the season made its appearance last night. In some places it looked like a light snow.

At the same rate of progress maintained during the past month the new Postoffice will be completed in about six weeks.

Steps leading from Third to Second street have been put down in Cox alley in the First Ward. It was a needed improvement.

The cold snap yesterday put a crimp in open-car traffic, and the Street Railway Company promptly trotted out its handsome winter buggies.

Hon. James N. Kehoe was appointed member of the Executive Committee from the Ninth District at the State Development Convention yesterday at Louisville.

The Rev. Mr. Buntos, the new Pastor of the Third Street M. E. Church, arrived yesterday with his wife, and will conduct the regular prayer-meeting this evening.

Mr. Martin Hanley is having a concrete wall constructed in front of his West Third street business place and home. He will also have a concrete pavement put down.

Last afternoon's Times-Star had a splendid halftone of Dr. W. R. Heflin, the new President of Newport's Board of Health. You just can't keep the Man from Maysville down.

Mr. W. Fred Thomas, the Sixth Ward Councilman, in jumping from a car at Carlisle Monday, wrenched and sprained his ankle. He is now moving around with the aid of a cane.

Mr. Frank Hall, one of Uncle Sam's blue jackets, is home on a furlough, visiting his sisters, Mrs. Ryan and Mrs. Burkhardt. Frank has been in the Navy two years and eleven months, and is one of the Nevada crew, now at Philadelphia undergoing repairs.

Aunt Eliza Johnson of Lee street has propagated several fine specimens of lemon trees. Some of them contain fruit as large as good-sized apples. Though past 85 years of age, Aunt Eliza is as spry as one 20 years her junior.

In excavating for the new gutter through Phister avenue, Street Commissioner Smith's workmen unearthed a brick drain that had been constructed years ago. It was more than a foot underground, and probably belonged to Maysville Pompeian period.

We are making special prices for October weddings; we have everything to make the bride happy. Silver, Cut Glass, Fine China, Brouse, Jewelry and Diamonds. Call and see me before making a selection. We will make it interesting for you.

P. J. MURPHY, the Jeweler.

Quite an animated discussion was carried on yesterday afternoon among a coterie of learned disciples of Blackstone as to whether a Magistrate could sit in the absence of the County Judge as presiding officer of a Quarterly Court. They seemed to be of one mind in declaring that the assumption was without warrant by law. Well, it's did and done. What's the use of chomping the rag about it?

Yesterday afternoon boreal winds struck the white shirt brigade with a suddenness that was appalling. There was a hustle for indoors and a change of apparel to conform with the weather. The mercury dropped way down; a cold rain fell and the wind blew a gale. When the rain ceased, the sun shone for a while and a beautiful rainbow spanned the heavens. At nightfall the wind raised again and the atmosphere became exceedingly cold.

As the day approaches for the final contest aspirants for political honors and office become more and more obfuscated as to their chance of success. Consolation groups gather in back rooms and shake the political kaleidoscope to determine the horoscope of their fortune. How about the bums? Well, they too are having their secret conclaves and arranging prices and shaking hands with themselves in anticipating the golden harvest they are about to reap.

The suit in "Squire Dressel's Court of Dora Tucker v. Everett Brightman" was postponed until Friday afternoon at 1:30 o'clock. It is not the province of any one to prejudge a case, but it's dollars to doughnuts that Brightman will come out of the contest with clean skirts as well as a clear conscience. He is too well known as a man of honesty, probity and good demeanor to have his good name tarred with such twaddle as the charge that is here brought against him.

## BIG BLAZE—SMALL LOSS

Workshop of Roe Stevens Destroyed By Fire Last Night

Last night about 10 o'clock the toolhouse and workshop of Mr. Roe Stevens in Clifton was destroyed by fire.

The shop sits about twenty yards from the house, and fortunately the wind carried the flames and sparks in an opposite direction, otherwise the house would have gone with the shop.

The origin of the fire is not known. Mr. Stevens had \$400 insurance on his dwelling and outbuildings.

The loss will reach several hundred dollars.

## MAYSVILLE'S DELEGATE

Board of Trade President Getting Pointers on Progress

LOUISVILLE, Ky., Oct. 11th, 1905.

Editor Public Ledger, Maysville, Ky.—Dear Sir: I am attending the Fourth State Development Convention of Kentucky. Am simply a "looker on" and trying to learn how other people do things. If I prove an apt scholar, will endeavor to make use of what I learn in trying to help push along the city of Maysville and county of Mason.

We certainly have a grand opportunity for expansion along all lines. Let us do something, and "do it now."  
JOHN DULEY.

See Hainline's Wallpaper.

Mr. D. Sullivan has been elected President of the Ohio River and Columbus Railway Company.

## LYMAN H. HOWE'S NEW PICTURES.

The extraordinary reputation achieved by Lyman H. Howe as a master in the production of moving pictures is an indubitable proof that the program to be given at The Washington, Saturday October 14th, matinee and night, is one of the highest order. Mr. Howe's exhibitions have now been before the American public for ten years, and during all that time public interest in them has never lagged. On the contrary, the press and public have lauded and admired each re-appearance with a greater cordiality and a juster ring in the applause. This is the aptest test of merit. The program Mr. Howe will present on this occasion will far surpass all his previous achievements and stimulate even more intense interest in his perennially popular production. Seats now on sale at the usual place.

This is the season to buy good Mou mental work cheap. See MURRAY & THOMAS.

## MILDRED HOLLAND.

The attraction at The Washington on Thursday, October 19th, will be the brilliant and accomplished actress, Mildred Holland, in "The Triumph of an Empress," in which she portrays Catherine the Great of Russia.

The Boston Advertiser says—  
"The excellence of the play, the splendid ability of the cast with which Miss Holland is surrounded, the gorgeousness of the production and the costumes, make this attraction one of the strongest of the entire Boston theatrical season. Miss Holland's powerful emotional work surprised local theater-goers, and they at once recognized her as one of the foremost American actresses."

RETURNING from New Orleans, President Roosevelt will go to Washington by sea, and The Times-Star says it will be the first time that he has been outside the territorial limits of the United States; and this in spite of the fact that he passes through New Jersey several times a year.

News that the merchants of China who have been prosecuting the boycott against American goods have decided to temporarily suspend that movement to await possible action of the United States Congress in softening the exclusion laws, is contained in official dispatches received from Peking. The information comes from the Merchants Guild of that place, and is to the effect that this course has been decided on by the merchants throughout the Empire.

THE Washington correspondent of The Courier-Journal says legislation looking toward a more economical administration of the Government printing will be enacted at the coming session of Congress, according to Representative CHARLES LANDIS of Indiana, who will succeed himself as Chairman of the Committee on Printing. Mr. LANDIS believes that something like \$1,000,000 can be saved by giving close attention to matter the several Departments want printed. The Agricultural Department, especially, is an offender. The subordinate officials get up reports of absolutely no general

interest. The author's name appears on the flyleaf and often the pamphlet contains expensive illustrations. They get everything printed they want, and Mr. LANDIS believes this should be stopped.

"There is no dishonesty in the Government Printing Office," said Mr. LANDIS. "It is simply extravagance. I will give you an illustration—

"There is a certain financial publication turned out by one of the Executive Departments. I understand that it costs the Government \$100,000 a year to print and distribute it. This particular document ought to appeal to Bankers, but it doesn't.

"Now the Bankers in my District will contribute to my campaign, make speeches for me and support me in every possible way, but they will not accept the financial publication in question. They have sent me tearful appeals not to send it to them. But there's some mystery about that document. You can't get away from it. I went to Porto Rico and to Alaska, but the publication followed me. Bankers have written me that they don't want it, and that it is only an annoyance for them to receive it. But the report is turned out just the same, and it is an extravagance that should be stopped.

"Last winter a large package of books dealing with irrigation, handsomely bound and magnificently embellished, was sent to a member. He didn't want them. He offered them as gifts to the Negro porters, but the darkies refused the books. Finally he had to hire one of the Negroes to throw the books away."

Political Pickings

THE CONSTITUTIONAL AMENDMENT.

Mayfield Messenger.

If this amendment is voted, and the secret ballot done away with, then it will be an easy matter hereafter to amend the Constitution and impose such laws upon the people as the political and corporate influences may want and dictate. This much accomplished, amendment after amendment will be forced upon the people, until this great Constitution will be destroyed by these infamous amendments; the Legislature will be empowered to pass all character of local legislation, which years ago was the curse of the Commonwealth; counties, towns, districts and municipalities will be given the power to vote subsidies and debts of all kinds to the rich and grasping corporations, thereby entailing heavy debts that taxation for generations will not remove. These things can't be done under our present Constitution, but you destroy the secret ballot and they will come thick and fast. Now is the time to scent encroaching danger and nip in the bud one of the most dangerous schemes to civil liberty ever attempted in Kentucky.

Attorney General Hays Tuesday made a motion before the United States Supreme Court for the advancement of the case of James P. Howard, and the Chief Justice took the motion under advisement.

POMPEIAN MASSAGE CREAM

CLEANSES WHERE SOAP AND WATER FAIL

Washing with soap and water makes the face look clean, but it cleans the surface only. It does not clean out the impurities in the skin that make it muddy and sallow. Pompeian Massage Cream goes through the surface. It sinks into every pore, reaches and loosens all foreign dirt and impurities that lodge in the pores. It is the only facial cream free from grease and that keeps the face free from it. Does not, cannot, promote the growth of hair on the face.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick felices that count—and cut.

The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

CALLS FOR ACTION.

Editor Public Ledger: Can you answer a query that's on the lips of every true Republican except the would-be Bosses?

Why is it the County Committee does not fill the vacancies on the county ticket?

Numerous Democrats, who are tired of ring rule, are clamoring for a full ticket and say "now is the chance for the Republicans to elect a full ticket, but you Republicans won't give us a chance to help you elect a full ticket."

The time will expire next Saturday to get the names on the ballot; and unless the ticket is full by Friday, I am in favor of calling a mass-meeting of Republicans at the Courthouse to demand the resignation of the County Committee, from the Chairman down, and place the Old Guard in power who had some qualification for managing a campaign, and who carried the county under their management.

The present Committee seem to be playing into the hands of the Democrats, because they are candidates for a city office, not having sense enough to know they are losing votes every day on account of their action.

What say you, fellow-Republicans, about a mass-meeting at the Courthouse next Friday night unless something is done? Yours,

A REPUBLICAN.

Of all strange occupations followed by men in the picturesque West, remote from railroads and other evidences of civilization, that of professional wolf hunter, or "wolfers," is most unique. The wolfer is a product of the wilderness. It is his business to shoot, trap or poison the huge, grunt wolves that deplete the flocks of the sheep men and the herds of the cattle owners on the plains and in the mountains. Never numerous, the wolfers are becoming less and less in number every year. The difficulties of the calling are great.

It is probable that 4,000 Union employees  
of the National Cash Register Company at Day-  
ton, O., will go on a strike, because the Com-  
pany claims the right to manage its own busi-  
ness.

Monday \$100,000 in currency, which was  
shipped by a Pittsburgh Bank to the First Na-  
tional Bank of Cincinnati, disappeared, and  
an employee of the Adams Express Company at  
Pittsburgh is being sought by the Company.  
Three hours after the discovery that the money  
was missing the officials of the First National  
Bank were notified by the headquarters office  
of the Adams Express Company in New York  
that \$100,000 to replace the missing money  
was on its way to Cincinnati. It arrived yes-  
terday afternoon.

Captain Frank Farnsey of Paducah, Com-  
mander of the towboat Beaver, is preparing to  
file a \$10,000 damage suit against the city of  
New Madrid, Mo. During the quarantine there  
he went ashore to place Engineer Voila Davis,  
who had been scalded, in the Hospital. He  
alleges the Inspectors refused to read his cer-  
tificate, and placed him in prison for an hour.

At the session of the Mississippi River Im-

Tuesday, Colonel J. H. Vance, President of the  
Ohio River Improvement Association, proposed  
a consolidation of the two Associations, hold-  
ing a National Convention and demanding im-  
provement of both streams. No action was  
taken. The Convention expects to pass a resolu-

of between \$15,000,000 and \$20,000,000 for a  
six-foot channel from St. Paul to St. Louis.

### A Worthy Young Lad Wants to Buy an Artificial Limb

Master John D. Becraft, a sprightly lad of  
Aberdeen, lost his right leg by bloodpoison  
some time ago, and is now trying to secure  
enough money to buy an artificial one.

He is a manly little fellow, worthy of assist-

result.

Donations may be left at The Ledger Office,

A phenomenal and almost unique record in  
Church work was made by the Relief Union of  
the Christian Church of Louisville of which Dr.  
E. L. Powell is Pastor. During the year, which  
ended September 30th, the Union raised over  
\$5,000, and paid large amounts into the various  
departments of the Church. It has 112 mem-  
bers, whose committees made a record of 3,544  
visits during the year.

### KENTUCKY ODDFELLOWS Close of the Annual Meeting Yester- terday at Shelbyville

After a spirited but friendly contest yester-  
day, E. M. Bridges was elected Grand Warden  
by Kentucky Oddfellows, who are holding their  
annual session at Shelbyville. His chief op-  
ponent was J. W. Groves of Mt. Sterling, and  
Mr. Bridges was elected on the sixth ballot.

The Grand Lodge instructed its Grand Rep-  
resentatives to the Sovereign Grand Lodge to  
vote for a repeal of the present law allowing  
the transfer of memberships and to advocate  
the return to the old law.

The meeting next year will be held at Lex-  
ington.

The Grand Lodge voted to fix the per capita  
tax for the support of the Widows and Orphans  
Home at Lexington at fifty cents. An effort  
was made to have it raised to seventy-five cents  
per annum.

One of the most important questions decided  
was in reference to the Widows and Orphans  
Home Fund, the law of the Grand Lodge being  
made to conform to that of the Sovereign  
Grand Lodge. Heretofore, each Subordinate  
Lodge, under the law of the Order, was com-  
pelled to raise the fifty cents per capita on its  
membership annually for the Widows and  
Orphans Fund, although it might have a large  
surplus on hand. Under the new law, just  
adopted, this assessment may be paid out of  
the funds on hand, thereby avoiding the con-  
stant drain on the members.

In the appointment of Standing Committees,  
Hon. W. H. Cox is Chairman of the Committee  
on Appeals, J. L. Daulton a member of that on  
Subordinate Lodges, and A. D. Cole on Unfinished  
Business.

Some Reasonable Advice.  
It may be a piece of superfluous advice to urge  
people at this season of the year to lay in a sup-  
ply of Chamberlain's Cough Remedy. It is al-  
most sure to be needed before winter is over, and  
much more prompt and satisfactory results are  
obtained when taken as soon as a cold is con-  
tracted and before it has become settled in the  
system, which can only be done by keeping the  
remedy at hand. This remedy is so widely known  
and so altogether good that no one should hesi-  
tate about buying it in preference to any other. It  
is for sale by all Druggists.

## What's the Matter With Now?

.....It's the most pleasant time in the year to  
drive and also the best time in the year to buy a  
Buggy, Phaeton or Runabout if you find what you  
want and we have it, because you can buy a job  
from us with the profits and part of the cost shaved  
off. We want to close out our stock and are  
sacrificing the goods in order to do so.

FEARIS.

Ernest Fearis went to the city Sunday.  
Corn all out and wheat seeding in progress.  
Farmers will sow more than the usual acreage of wheat.  
Frank G. Himes left Saturday for Wapella, Ill., where he will resume farm work.  
E. C. Blount is teaching the Brownfield School in place of Ellwood Fry, who resigned.  
Miss Flora B. Cole and Mrs. Gertrude Fearis are visiting friends in Nicholas county this week.  
The G. A. R. comrades have sold their half interest in the Campground to John Proctor Mower.  
Mrs. Rosa Kerr, nee Mason, who has been living at Danville, Ill., is visiting her mother here. Guess her husband will move back to Lewis county.

The Junior Order is making the proper arrangements to raise a flag on our Schoolhouse, assisted by the G. A. R.  
J. E. Bevard is suffering from a sprained and fractured knee, the results of a fall while hanging tobacco in the barn.  
Mrs. Sarah Guthrie of Chalk Ridge, wife of Thomas F. Guthrie of Croxton Post, G. A. R., is very low with consumption and not expected to live very long.  
Mrs. Anna Waldren, Miss Warla Konnard and her young sister and brother, left today for Hartford City, Ind., where they will join their mother in their new home.  
This is fine weather to work the public roads and have them in good order before bad weather. There has been some repairing done, but our roads are in a bad fix. Heard one Wilson Bottom farmer say he had paid out over \$800 tax on the C. C., S. H. and M. pike, and he had no road today to drive an empty wagon over, let alone a load of any farm produce. Lewis county must have a bad road law. There is plenty of good material and hands along the roads, but no engineering ability to work them to advantage.

## SARDIS.

Born, to the wife of Thomas Allen, a boy.  
Several from here attended the burial of Miss Julia Worthington.  
Mrs. Alisa Paul, who has been ill with fever, is much improved at this writing.  
Mr. E. L. Mastin of this place visited friends in Fleming county Saturday and Sunday.  
Duke Hill and sister, Louise, of Shannon, were Sunday visitors to their aunt, Mrs. Lenzy Hill.  
Mr. John Taylor and Mr. John Case of Mt. Olivet were calling on friends here one night last week.  
The regular meeting of the Woman's Club will be held at the Y. M. C. A. Rooms Friday afternoon at 3 o'clock.

MR. JOHN CAMPBELL.  
Mr. John Campbell died October 5th, at the home of his daughter, Mrs. Frank Chambers, near Moscow, O., where he had moved from Ripley a few weeks ago.  
Mr. Campbell was born in this city January 25th, 1832, and went to Ripley when a small boy, where he lived until his removal to Moscow a few weeks ago.  
He leaves a wife and two daughters.  
The funeral was held at Moscow, and the remains were taken to Ripley Saturday for interment.

Berthelot, the celebrated chemist, is one of the busiest men in France. He has written 600 brochures and articles, besides twenty big scientific volumes. He may be called the head of French science.  
Secretary Wilson of the Department of Agriculture says that probably hundreds of thousands of dollars' worth of buttermilk is thrown away in this country every year. He has learned recently from medical experts that buttermilk is very valuable in the treatment of diseases of the kidneys, such as Bright's disease and diabetes, and he says if some one would invent a plan by which it could be condensed and preserved for medicinal purposes the inventor would render humanity an invaluable service.

A Judicious Inquiry.  
A well known traveling man who visits the drug trade says he has often heard Druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or for an adult, and if for a child they almost invariably recommend Chamberlain's Cough Remedy. The reason for this is that they know there is no danger from it and that it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by all Druggists.
